

Wave Asset Private Limited

PURE ALPHA STRATEGY

Monthly Factsheet | 31 July 2025

Investment Objective

The Pure Alpha strategy seeks to deliver long-term, risk-adjusted outperformance by investing in listed securities and mutual funds. The approach involves capitalizing on mispriced investments by buying and holding them across multiple time frames.

Investment Strategy

- The strategy combines top-down macro insights with bottom-up, research-driven stock selection.
- Dual focus on secular compounders for growth and deep-value opportunities for downside protection.
- High-conviction positions across 7-15 investments in listed equity, ETF & MF.
- We differentiate ourselves through active management, geographical & style diversification, and dynamic hedging using puts.
- See the Fund deck for a full description of the investment objectives and portfolio construction methodology.
